

## She's on My Mind

I can't seem to get enough; I guess I must be in love  
She's a one in a million girl, my love and my whole world  
Well she's sweet and she's fine, and she's good and so kind  
She's on my mind, she's on my mind.

Well she's really cute and she knows it, dresses in a way that shows it  
She must have stepped out of my dream, at least that the way it seems  
Cause everyway she's divine and everyday all the time  
She's on my mind, she's on my mind.

### **BREAK**

I think of her at work or at play, wide awake or sleeping away  
Three hundred and sixty five days, twenty four hours always  
She carries my heart as a sign, that I want her to be mine  
She's on my mind, she's on my mind.

### **BREAK**

She's on my mind, she's on my mind, she's on my mind, she's on my mind,  
She's on my mind, she's on my mind  
She's always on my mind, can't get her off my mind, she's truly one of a kind, and she's always  
on my mind, all the time.
