

Engaged

Engaged to a beautiful girl
Amazed my head's in a whirl
Engaged to a beautiful girl and there's no one who competes with her.

Vowed, to one another
Forever, there's no other lover
Engaged to a beautiful girl and there's no one who comes close to her

Middle 1

Just look at her, you can't help but see
I keep staring, she's such a beauty
Can't help but feel that I'm so lucky, to have a woman like her,
to love a woman like her

Engaged imagine me and you
Enraged no one else could ever do
Engaged to a beautiful girl and I can't wait to make her mine.

Music

Middle 2

I love her, I love her
I need her, I need her
I want her, I want her
She's my love, she's all mine

Repeat Verse 1

End with: there's no one who competes with her
I'm just engaged to a beautiful girl
